SAINTS RESCUE

*would you like to help
senior and special needs animals?*

SAINTS is an end-of-life sanctuary for senior and special needs animals that have nowhere else to go. We provide a special place to be loved, cherished, and receive proper medical care for the rest of their days. We pledge to love them, to care for them, and make their dreams come true. We promise each of them that they will never be alone again.

The work that we do is costly in terms of dollars. It is a bargain, in terms of value. Compassion and caring are like ripples in the pond, they fan out to affect things of which we are unaware, but the rewards are far reaching. The SAINTS animals need help from many different sources, you can be part of their dream team of caregivers.
